

**Do you live with diabetes?
Are you thinking of starting a family or
are you expecting a little bundle of joy?**

When you are pregnant and have diabetes we like to keep a closer eye on you.

We advise that you attend diabetic eye screening every trimester, starting within the first 6 weeks of your pregnancy.

Please ask your Nurse or Consultant for more information or alternatively call our Booking Office to make an appointment on 01245 806100
